Saint Vincent de Paul Society Saint Joseph's S.V.P. Conference here in Carrickmacross wishes to thank most sincerely you the public, for your generosity to our recent collection. Thank you to all the schools in town and country, to the organisations and shoppers in town for your donation of money and groceries, and the businesses for your great generosity again this year.

Further subscriptions can be sent directly to St. Joseph's Conference, or any member of the conference, and donations may also be placed in St Anthony's Box in the Church Porch.

We also wish to thank you the public for your support to Vincent's shop in O'Neill St. For donating un-wanted items and for purchasing the quality products on offer there.

Again thank you most sincerely, and may god bless you and your families throughout the year. Mass will be offered for all our supporters.

Mona Donnelly On the death of Mrs Mona Donnelly, Magheross Branch, and St Josephs Young Priest Society send condolences to all her family. Mona was a lifelong and active member of the Society. She took up presidency of the Society about 2002 and under her guidance the monthly meetings and activity were lovely and straight forward. We also expect a very sympathetic and appreciative acknowledgement from our head office in Merrion Square when they reopen this week.

Our local branches have requested Mass for the repose of Mona's Soul, and also ask all our members and contributors to attend her months mind on Saturday 28th Jan at 11am.

Drop- In dementia service open on Co Monaghan.

A drop in information hub dealing with all issues relating to Alzheimer's and dementia will open in Iontas, Castleblayney, Co Monaghan by the Alzheimer Society of Ireland (ASI). The Alzheimer Society of Ireland has had a Dementia Adviser service in Co Monaghan for the last two years and now this drop- in service means that advice and information on dementia will be more readily available. It is very important for people to get as much information as possible as it has been shown that people who seek information about the changes in their lives because of dementia have a better quality of life...

The ASI urges people who have a diagnosis of dementia or family members who are caring for someone with dementia, to pop in and have a chat with Dementia Adviser, Maeve Montgomery. No appointment is needed and we guarantee that simple tips can make a big difference.

The Service is FREE of charge and open to all. The next information Hub dayS will take place on the 20th Jan, 24th Feb and 24th March.
