What is a Deacon?

The ministry of Deacon goes back to the earliest days of the Church (see Acts of the Apostles 6: 1-6). A deacon is an ordained minister of the Church, one who serves in the parish and in the wider community. The Second Vatican Council brought forward a renewal of ministry for both lay and ordained - by our baptism we are all called to participate in the saving work of the Church. Among the wide range of ministries in the Church today is that of the permanent Deacon, a ministry that includes married men.

Students Prayer

O wise God, I pray that *my mind might be rested, my body energized, and my spirit inspired for the exam*, I must write. Grant me peace and assurance so that I might do the best I am able, regardless of what that might be. Be with my fellow students and may I be a good example to them, offering reassurance and confidence regardless of how I feel. May with grace, and any joy accompanied with humility. I write this exam with Thee, O Lord Jesus Christ. Amen.
