### **Feast of all saints**

The feast of All Saints is a holy day on which the church glorifies God for all his saints, known and unknown. It is celebrated on November 1<sup>st</sup> in the West, since Pope Gregory IV ordered its church-wide observance in the year 837. All Saints' Day has been observed by the Church as an occasion to celebrate in a special way all its saints, past and present, whatever their country of origin, their race, or their denomination, and whether they are known to us personally or not. On this day we remember the saints, who may have been forgotten, or never been specifically honoured. But they are holy persons whose examples we aim to follow and their life we imitate and at the same time ask for their prayers and intercessions. The whole concept of All Saints Day is tied in with the concept of the Communion of Saints. This is the belief that all of God's people, on heaven, earth, and in the state of purification, are connected in a communion.

**St Joseph's Young Priest Society** will hold its monthly meeting on the November 3<sup>rd</sup> ( First Friday) after 10am Mass in Teach Ui Bhriain . Contributions towards the education of clerical students who need assistance.
