Weekly Reflection.

'Love God and neighbour!'

The Jewish People had over six hundred laws covering all aspects of life. The ten commandments were just a starting point for them. The Scribes and Pharisees were experts in these laws and could quote one for any eventually.

When Jesus reduced them all down to one "Love of God and neighbour" his listeners may have thought they were on easy street in contrast to what their own religious leaders said. However, when they realised the significance of what he said there was obvious difficulty. Some religious people claim to love God but ignore or even despise their neighbour. Other people with no concern for religion say they simply respect all of humanity.

The challenge is great – true religion, true Catholic Faith is about loving God and our neighbour – easy to say but most difficult to do.

Fr Shane.

Rosary In St Joseph's Church: Monday – Friday at 6.30pm for the month of October and November

Novena Masses for the month of November.

Beginning on All Souls Day Thursday 2nd November a Novena of Masses will be offered for your deceased relatives and friends. Please include the names of those who you wish to be remembered on the "List of Dead" copies of which are available in the Church (from this weekend) and place your **envelope in the Intention Box in the Church.** All envelopes are opened, and the "lists" are placed on the Altar during Mass in the month of November.

Altar Servers Recruitment: One year on from the re-introduction of Altar Servers we wish to say, 'Thank you' and 'Well done' to our teams of Servers and their parents, for enabling our liturgies to be enhanced with young people serving at the Altar over the past twelve months. We are now seeking new recruits from 5th and 6th class to come forward to join the teams we have in place. Fr Kevin and I have already spoken to the pupils in the schools and some children and parents have already signed up for this. If you wish to become an Altar Server, or if parents would like to find out more about this wonderful ministry, please speak to one of the priests or the office staff.

Angel Plot: Over the past two years wonderful work has been ongoing in St Joseph's Cemetery to prepare an Angel Plot. This plot will remember those still-born babies and infants who died before baptism, who in the past were not buried in consecrated grounds in the graveyards. This was during a time when the Church was cold and insensitive to the plight of such babies and their parents and families. While we cannot undo the hurts of the past, we can make good our respect and reverence for all who were so buried. The Angel Plot will be consecrated in a special ceremony **next Sunday 5th November after the 12 noon Mass,** (approx 1.15pm). This liturgy will represent all those infants who were still-born and babies who died without baptism, for whatever reason, and who are buried anywhere in our cemetery. **Everyone is invited** to attend and give thanks to God for the gifts of our angels.

One part of this review is to engage with survivors and victims of abuse, to seek their views on Church Safeguarding processes. Specifically, RSM would like to hear from survivors who have disclosed abuse within the last twenty years, to see what needs to be improved.
