## **Weekly Reflection.**

### ***"Doubting Thomas"***

The Apostle Thomas found it hard to believe that Christ had risen from the dead. He was not the only one. When he heard of the empty tomb and the story of the disciples on the road to Emmaus he was not convinced. He needed to see for himself. He was willing to ask the difficult question, unless I see and can touch the wounds for myself. Having asked the deep question he then responded with deep faith: "My Lord and My God".

For this he is known as Doubting Thomas. Maybe it's a bit unfair, for he was always willing to speak when others remained silent like the time when Jesus told them he was going to prepare a place for them and that they knew the way to that place. While the others kept their mouths shut, Thomas spoke out – "We don't know where you are going, so how can we know the way?" This question led to words that are central to all our lives; Jesus replied, "I am the way, the truth and the life, no one can come to the Father except through me."

Good Man Thomas! Not afraid to ask for help, to admit his limitations. He is an example to us all.

Fr Shane
